

8:40 Meeting -- Monday, 29 October 1973

✓ 1. Retirement Interest Quickens: The phones in Retirement Affairs Division rang incessantly on Friday as a result of a column in the Friday morning Washington Post which stated that persons retiring by 31 December will get a cost of living increase of 10.1% tacked onto their annuities.

2. New PHS Possibility: We have received from the Office of Security their suggestions on the revised PHS. The purpose of this exercise is to develop a two-part PHS. Part I will concern itself with applicant qualifications, and Part II will concern itself with information needed by Security for their field investigation.

3. CFC Report Attached
